Attention: 5th Grade Parents

We welcome 5th grade students and their parents to attend an informational session about Schmucker Middle School. These evenings will be held at elementary schools at 6:00 PM. I will share the many opportunities available to your child at Schmucker and discuss the transition into middle school for the 2019-2020 school year. If you are not able to make the date I will be at your school, you are welcome to attend any of the sessions at a different school.

With your Child in Mind,  
Lavon Dean-Null, Principal
